Connect2Careers Bring Jobs to the Youth

Last week, I spoke to partners, employers, and program participants to celebrate the accomplishments of Connect2Careers in 2016. I was proud to learn that **Connect2Careers has 2,889 applicants, 2,443 trained, and 554 job placements in San Diego.**

Connect2Careers is an employment program that provides meaningful work experience for young adults ages 16-24 with services such as **online resources, workshops, hiring events, and community partnerships.**

This year, Connect2Careers partnered with the **Jacobs Center's Youth Engaging Southeast (YES)** program to offer District 4 high school students leadership development skills, hands-on civic engagement opportunities, and public speaking experience. This provides opportunities to future generations in Council District 4 and **services that can change the lives of many who live here.**

With the help of Connect2Careers, we can continue to better serve the **19,000 unemployed youth** and encourage employers to increase job opportunities for young people in Council District 4 and the City of San Diego.
