

COMMUNITY OPEN HOUSE ON FUTURE LAND USES

Help Shape the Future of Mission Valley

Since 2015 the City of San Diego has been working closely with members of the Mission Valley community to update the Mission Valley Community Plan—a document that provides guidance for future land uses in the neighborhood. City of San Diego staff will be holding an open house to provide an overview of progress-to-date and get additional community feedback on future land uses and their impact on Mission Valley.

AUGUST 12, 2017

Drop in anytime between:
10:00 a.m. to 6:00 p.m.

Westfield
Mission Valley Mall

1640 Camino Del Rio North
San Diego, CA 92108
