Subject: Your Input

District Five may be by-and-large the furthest from City Hall, but I am committed to bringing government closer to the people.

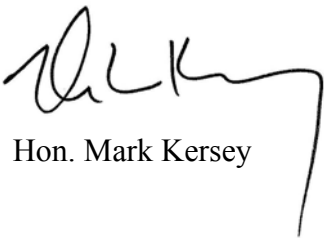

I am especially excited about my upcoming Twitter Meet-Up. Through social media, I am able to have a constant dialogue with my constituents, encourage young people to participate, and make government more accessible to everyone. Even if you can't participate in the Meet-Up, please consider following me on [Facebook](#) and [Twitter](#).

My Signature Event will be another first, in a series I will be hosting in different communities of District Five, each on a different topic. They will be an opportunity for my office, constituents, and City staff to come together, in a location that is convenient.

I also offer office hours by appointment throughout the community. To set an appointment, please contact my Director of Office Administration, Michelle Porras, at (619) 236-6655.

See below for more information on these events and other opportunities to make your voice heard.

Best,

Hon. Mark Kersey
